INTERVIEW SUMMARY PURSUANT TO 37 C.F.R. § 1.133(b)

Sir:

Applicants and applicant's representative wish to thank the Examiner for the telephonic interview with applicant's representative on December 3, 2008. Further to the Examiner's Interview Summary dated December 3, 2008, applicant's representative provides the following summary of the substance of the interview.

To clarify the record, applicant's representative identified the Information Disclosure Statement (IDS) date stamped "Aug. 18, 1999" as having been fully considered by the Examiner as evidenced by the initialed PTO-1449 signed and dated by the Examiner on May 17, 2001. A copy of the signed PTO-1449 was provided to the Examiner. Upon review, the Examiner agreed that references listed on the IDS date stamped Aug. 18, 1999 had been previously considered and agreed to confirm that fact in a Supplemental Notice of Allowance. Applicant also noted that the Aug. 18, 1999 OIPE date stamp appears to be a clerical error as the IDS was filed on September 12, 2000, as indicated by the Certificate of Mailing on the Transmittal Form of the IDS filing. Moreover, the Aug. 18, 1999 date stamp must be a clerical error in view of the fact that the

instant application was filed on July 18, 2000 after the incorrect stamp date of Aug. 18, 1999. Copies of the September 12, 2000 IDS filing, the acknowledged PTO-1449 form signed on May 17, 2001 and the incorrectly date stamped "Aug. 18, 1999" Transmittal Form are attached.

Applicant's representative reviewed the file history with the Examiner and together identified references U.S. Patent Nos. 5884719, 5342120 and 5082081 as references cited by the Examiner in Detailed Actions but not listed on a PTO-892. The Examiner agreed to list the references on a PTO-892 to be attached to the Supplemental Notice of Allowance.

As stated in the Examiner's Interview Summary, all references of record have been considered. A copy of the Examiner's Interview Summary is attached.

Respectfully submitted,
